

LITTLE SAI WAN GOLFING SOCIETY

FOUNDED 1964

Annual General Meeting – 2 June 2020

Captain's Report

Gentlemen, it is a pleasure to report that all is well within our society.

We continue to enjoy the very well-organized monthly events. I would like to thank the Committee Members, on behalf of all the Members, for their hard work throughout the year to make this possible. It is with ever increasing effort that the LSWGS maintain its playing privileges at Fanling, but many an effort is made to ensure that we will continue being hosted at this great club for as long as we can. The Members' behavior during our use of the club facilities do influence the way the HKGC views our presence, and therefore, may I urge us all to maintain the very respected manner in which we behave during our visits to any places where we may be identified as members of the LSWGS.

Unfortunately the annual Asian Ryder Cup could not reach a 25th edition and both societies LSW and BSW will remain tied at 12 victories each side.

The last four months were very challenging with this Covid virus, but so far none of our members were personally affected, and the good news is that LSW was the first golf society (as non member) to play a round of golf after the reopening of the Club.

I do realize that many of you have great ideas on how we can improve our society, and I invite you to approach myself or any of the Committee Members without hesitation to pass on these ideas. We will never please all, but do know that your golfing experience is our first priority.

With the support of the Members and the Committee, I will continue as Captain. May the year ahead be at least as pleasurable as those before.

Happy Golfing

JP Cuvelier
