

LITTLE SAI WAN GOLFING SOCIETY

Founded 1964

AGM 6th December 2022 – Captain's Report

Gentlemen,

It is a pleasure to report that Covid didn't affect too much our society.

Instead we have a record year in numbers of playing members and guests. (average 35 players per event)

After a controversial AGM in my 2021, the Committee and the working group spent a lot of time to review and update our society rules after nearly sixty years. Job well done.

Unfortunately the rules of the Hong Kong Golf club don't make our life easy.

For the first time in sixty years, we won't be able to publish our 2023 monthly events ahead of the season, and we are forced to book each of our events three months ahead of time on a first come first served basis.

And we are limited to 8 flights or 32 players.

So far January and February 2023 are confirmed and we expect our March date very soon.

We are hoping to organise the 25th edition of our Asian Ryder Cup somewhere early March, if our friends of Big Sai Wan can field a minimum of 12 players.

Otherwise we will organise a Society tour with wives or partners. The targets are Siem Reap, Danang or Thailand pending direct flights.

Let's go back to a happy golfing year.

JP
Captain
